

DAVE TOUGH

PRODUCTIONS

Barefoot

In the eyes of the children
Running through the forest
Dancing barefoot in the rain
Twirling through the twilight
Without inhibition
Driving where the roads aren't paved

As your life unfolds
Embrace it in your soul
Oh oh oh oh
Listen to the drum
Oh oh oh oh
We dance, we run

Sunshine on your window
Crying tears of freedom
Holding someone close in your arms
The lonely voice that calls you
As you spin in silence
Leaving footprints in your heart
On the edge of life
This is our time
