Do You Mind?

I aint losin my hope
I aint losin my faith
Cause I'm gonna get up baby
And fight through this pain
I wanna tell you
So do you mind?

I just found out
You've been cheatin' on me
You're gonna get your own in sweet time
Gonna make you see
I wanna show you
Do you mind?

I'll say
I'm gonna break these chains
I'll say
I'm like a loaded gun
Goin bang bang bang

So do you mind?
Do you mind?

You called me crazy
When I followed my heart
Now can't you see baby
That you tore us apart?
And I wanna show you
Do you mind?

I need to make you see baby
I can put up a fight
I won't control you
Just need to make it right
I wouldn't tell a lie
So do you mind?

Gonna make you see
That I gotta be free

And I'm gonna say
I'm like a loaded gun
Goin bang bang bang

So do you mind?
