## Feel This Moment

Move it fast  
Move it slow  
Another round  
Let it flow

Take it up  
Take it down  
Do it till the lights go down

Im gonna own it  
I wanna feel this moment

So Im gonna drink these drinks  
So Im gonna flaunt my freak  
I aint gonna be discreet  
I don't care what you think

So Im gonna get that gold  
So Im gonna take it rolled  
Baby if you get my flow  
Your gonna get that O

All these hopes  
All these dreams  
Baby, baby  
Come with me

Come with me  
You and I can feel this moment
