Goodbye My Friend

Woke up early this morning
Hoping it was a dream
But your old chair sits empty there
You left so suddenly

We lost another good man
A precious work of art
But we will hold your smile
In our hearts

And I know the pain will fade one day
But I just need to say

Goodbye my friend
I hope we meet one day again
Goodbye my friend

I know you're up there on that stage
Playing on those keys
And the tears we cry down here
Will turn to memories
You taught our minds
You touched our souls
You changed our lives and you should know
There'll never be another one like you

Wish I could have told you what you meant to me
Wish I could have really said goodbye
Wish I could have shook your hand
Looked you in the eye
And said you made a difference in my life

So goodbye my friend
