## **If I Could See You Again**

How could you do it  
How could say it  
When you walked away  
You just walked away

I never thought that I would see you again  
You said goodbye as though this was the end  
But you looked again  
Oh, you looked again

If I, if I could just see you  
If I could just see you again  
I, I would just hold you  
Oh I would just hold you

Now it isn't easy  
Now you can't see me but  
I'm still standing here  
Yeah, I'm still standing here

I never thought that I would see you again  
You said good bye as though this was the end  
But you looked again  
Oh oh, you looked again

## Chorus

Should I have  
Could I have  
Should I have  
Made you stay...
