## **In This Together**

V1:

Oh what'd I'd give  
To lay there by your side  
Oh where I'd go  
To make it be alright  
Oh what I'd do  
To give myself to you  
And say

CHORUS:

When times get tough  
I won't let go of your hand  
The road gets rough  
Just know that I'll understand  
We're gonna make it  
Through the stormiest weather

I'll never let you go  
I gotta let you know  
We're in this together

V2

What would you give  
To have that second chance?  
Where would you go  
To get back to where you once were?  
What would you do  
To put your trust in me?  
And say

Repeat Chorus

Bridge

All that matters all that is true  
Is I will always be here for you  
All that matters all that is true  
Is I will always, always be here for you

Repeat Chorus
