It Was You

Standing in the spotlight, every single day
Living for myself, but not finding my way
And when I started breaking, you gave me a home
Showed me I would never be alone

Who loved me all along?
It was you
Who held me in their arms?
It was you
Who saw beneath the surface?
Who saw beneath the tears?
Who took away my sadness and my fears?
It was you

When I start to fall, when I cannot stand
You are right behind me with a gentle hand
When I ask for someone, to listen and care
I know you'll always be there

Chorus

Your love is always there for me
Your love can always set me free

Chorus
