PRODUCTIONS

Never Let Em See You Sweat

I've said it before, I'll say it again
I don't leave the ring, without a win
I am the best, and have been for years
Any time I'm in the ring, they all fear
I'm that old school cat, with the rhythm and the flow
And if you haven't heard, I'll let you all know
I'm the best MC, here to pass any test
You never let um see you sweat...

[C]

You never let um see you sweat...
You never let um see you sweat...
You never let um see you sweat...
You never let um see you sweat...

When I spit rhymes, I move like a boxer
When I invade, I conquer...conquer
A lyrical monster, killer rhyme writer
I rhyme with the passion that burns like a fire
When I fight I'm mean, the best you've ever seen
If you can't hold your own, you ain't on my team
I rhyme for the money, and rhyme for respect
But you never let um see you sweat...

I'm the best MC to ever handle a mic
The strongest in a fight you've ever seen in your life
I jab with my left and swing with my right
Turn up the heat and then turn out the lights
You never let them see, if you fall or struggle
You get back up and get back in the huddle
If you're about to give up, just take a breath
Cause you never let um see you sweat...

[C]

You never let um see you sweat...
You never let um see you sweat...
You never let um see you sweat...

You never let um see you sweat...

When I write a song, they put it in the mix
DJs love to spin, everything I spit
I built myself up, and created these rhymes
I was born to do this and do it all the time
Now you can do it to, build up your dream
But never let um see when it hurts or it stings
You can go out and get what you want to get
But you never let um see you sweat...

Be the best you can be, be on your game
Do what you do till they all know your name
Let um know the world will never be the same
Never let um see when you're down or ashamed
Pump yourself up and go do your best
All you got to do is take that first step
But any time you start to stress...remember
You never let um see you sweat...
