Sound My Gun

I'm gonna rock you all life long
Your gonna leave here singin my song
You said you was a man that could never lie
But I learned the hard way the truth don't try

I'm gonna drain this river cold dry
You're gonna pray till the day you die
Don't come cryin' the boys will come
Run away little boy I'm gonna sound my gun

I'm gonna teach you right from wrong
Your gonna wish you'd been long gone
You said you was a man that would never hide
But I learned the hard way that you don't mind

Chorus

You better run, better run, better run little boy
Better run, better run, better run little boy

Chorus
