## Vegas Baby

There's a city of sin that doesn't sleep at night  
With a road that runs right through it  
And you can hit it big if you play it right  
Up and down the Vegas strip

It's a city of skin and show 'n 'tell  
But boy you gotta keep it nice  
And you can make it big, but it'll give you hell  
If you wanna roll those dice

Vegas baby!  
Where else could it be?  
Vegas baby!  
What else could I mean?  
Vegas baby!  
Yea, its goin down  
I tell you friends  
This is my kinda of town

If jacks and sevens are the cards you choose  
You better double down on splits  
Get to 21, if you win or lose  
Man, you gotta roll with it

Its champagne wishes, and caviar dreams  
When you're dancing with a lucky lady  
So fly on in, cause you might win  
Yeah Im talking bout Vegas baby!
