What the Hell RU Afraid Of?

All your life you've pleased them
Played a role to fit in
You never had the strength
To stop giving in

You say that you have been afraid
To be yourself, to find your way
Don't you know that life it ain't
What other people think?

Who could you be?

**What the hell RU afraid of?
It's not too late for you to make a change
What the hell RU afraid of?
Don't spend your time wasting precious days**

**Life could end at any moment
Take the chance, before you know it
You'll be the person you never could become
What the hell RU afraid of?**

Saying you aint ready yet
Living in your safety net
Counting all your "might have beens"
What do you have to lose?

All the fear is in your mind
Flashing like a neon sign
Just close your eyes and walk the edge
Lay your heart on the line

And jump right in
